

## ***Greater Miami Dog Club Inc., Membership Code of Ethics***

The Greater Miami Dog Club Inc., as a member club of the American Kennel Club seeks to protect and promote all purebred dogs. As such, we follow the American Kennel Club Rules and Regulations, the Code of Good Sportsmanship at all of our events, and defer to the Rules and Breed Standards of the individual Breed Parent Clubs for each AKC breed to guide us in our mission as protectors of these breeds.

We expect all of our members, whether they be breeders or simply owners of companion dogs, to abide by these principles and always to seek to promote the welfare of the dogs in their care. Any failure or breach of these conditions may result in membership termination.

We expect all of our prospective members to have two current members in good standing sponsor them and, if they are not already known to the club as breeders and/or exhibitors (in either Conformation, Companion, Performance, or Field events), they should also expect a site visit by a club member to insure that they have the same goals as the Greater Miami Dog Club, Inc., and would make a positive contribution to the club.

By signing this all prospective members agree to abide by the American Kennel Club's Rules and Regulations as well as by their individual Breed Parent Club's Rules, Code of Ethics, and Breed Standard.
